## I. Background information

VVOB is a non-profit organization with over 35 years of experience in improving the quality of education systems from a rights-based perspective. VVOB has currently long-term partnerships with education actors in 9 countries in the South (Cambodia, DR Congo, Ecuador, Rwanda, South Africa, Suriname, Vietnam, Zambia and Uganda) and in Belgium/Flanders.

VVOB started working in Vietnam in 1992. Since 2008, we have channeled all our efforts into the education sector and into early childhood education more specifically since 2014. From 2017 to 2021, VVOB Vietnam is working on an early education programme financed by Belgium in close cooperation with the Departments of Education and Training (DOETs) of Quang Nam, Quang Ngai and Kon Tum provinces in Central Vietnam. The programme aims at improving the quality of teaching and learning of all 3-to-5-year-old children in preschools. More specifically, it focuses on enhancing the knowledge and skills of the DOETs to strengthen the capacities of preschool teachers and school leaders to mitigate children's barriers to learning and participation (eg: barriers related to gender, environment, culture, language...) for better participation and well-being.

To equip partners with essential skills to be able to effectively work in virtual setting, VVOB is seeking a qualified firm to perform services to support VVOB's operations. Interested firms with relevant experience and expertise are welcome to submit your proposal for the following described service.

## II. Description of desired services: the selected firm will cover the service as follows:

Delivering training courses to improve skills in organizing and managing virtual meetings and learning events to VVOB staff and partners.

1. **Delivering a workshop to staff of VVOB:** the workshop aims to provide VVOB staff with the most up-to-date collaborative and learning tools to be used in virtual meetings and e-learning events.  
 Delivery method: The workshop should be practical and build in learners 'existing experience.  
 Number of targeted trainees: 30.  
 Delivery mode: the workshop can be delivered virtually or face-2-face.
  
2. **Delivering three training courses to VVOB provincial and district partners:** The training aims to improve capacity of VVOB local partners (3 mentioned provinces) in (a) organizing virtual events that are effective, engaging and resultful.; (b) providing remote coaching support to the teachers.  
 The proposed learning methods should apply adult learning principles, with contents and activities are needs-based and practical.  
 The proposed design should primarily use blended learning approach, comprising face-2-face sessions and virtual sessions for participants to practice using actual contexts on the job of the learning. Subjected to the situation where travel is limited, the training's delivery could be adjusted to full-virtual mode. The proposal should be adaptive to the situation.  
 Number of targeted trainees: 50;  
 Location of the in-person training: Quang Ngai, Kon Tum and Quang Nam.
  
3. **Expected timeline and deliverables:** The workshop and training class shall take place in April and May. At the end of each event, a report should be submitted to VVOB. The report should include (a) results of the workshop/training, (b) follow-up steps for VVOB and the provinces on the needed support to help participants apply the learned tools in work contexts.
