- Monitor and report any challenges and/or gaps identified to inform adjustments to plans and implementation schedules (including the facilitation of local monitoring of home-based care outcomes, monitoring of project activities; data quality assurance, preparing donor report and activity report when required). Assist partners in their efforts to reflect on project experiences.
- Support accountability through coordinating project evaluation activities and assisting partners in their efforts to collect and analyze project data per specified mechanisms and tools. Collaborate with local partner(s) to prepare reports per established reporting schedule.
- Collect information on technical assistance needs of partner organizations in home-based care model and monitor capacity building and technical support activities to ensure effective impact.
- Complete project documentation for assigned activities (including the documentation of all project milestones, model of home-based care). Assist with identifying information for case studies and reports on promising practices.

- Coordinate provision of any logistical and administrative support to staff and partners including the facilitation of technical assistance in for project activities in both Binh Dinh and KonTum including development of terms of reference (TOR) of project consultants, providing technical inputs (with more focus on home-based care and care outcome measurement) to project activity planning, monitoring of project results and working with consultants and relevant partners to ensure the project outcomes.

### **Basic Qualifications**

- Bachelor's degree in social work or social science, public health or nursing care or medical degree preferred.
- Minimum of 2 years of work experience in similar position. Experience in the field of disability inclusion support, nursing care of persons with disabilities or elderly people and experience working for an NGO would be a plus.
- Additional experience may substitute for some education.

***Required Languages*** – English proficiency

***Travel*** – Estimate 30% to 40% of required travel to Binh Dinh and KonTum provinces.

### ***Knowledge, Skills and Abilities***
