

Project sites:

- Dak Lak province (4 districts: 15 mainstream schools and 1 supporting center for Children with Disability)
- Quang Tri province (4 districts: 14 mainstream schools and 1 special school for children with disability)
- Hue city (3 special schools/centers for YWD) **Brief of delay**

Body Talk was approved in lately November 2021 by the Ministry of Home Affairs (MoHA). The approval took a few months due to the new regulation (Decree 80/2020) on NGO management.

The partnership agreement with Quang Tri Provincial Department of Education and Training (DOET) was signed almost immediately in Dec 2021 and followed by a kick-off meeting in Jan 2022.

However, the administrative procedures in Dak Lak province were quite complicated and required more time and paperwork. In lately March 2022, RCI signed the partnership agreement with the Dak Lak DOET.

Overall, project activities have just onset officially in April 2022, after partnership agreements were signed and the 1st mater training in Philippine was conducted

Focusing topics:
