Adapt - Adopt - Improve CSR in Vietnam's SME

Helping Vietnamese SMEs Adapt and Adopt Corporate Social Responsibility (CSR) for Improved Linkages with Global Supply Chains in Sustainable Production.

The project aims to improve the economic, environmental and social performance of Vietnamese SMEs and enhance their international competitiveness through better understanding of corporate social and environmental standards and strengthened cooperation between Europe and Asia.

UNIDO CSR Consultants Training Hanoi and Ho Chi Minh City Selection of participants

As CSR (Corporate Social Responsibility) is becoming an essential part of today's business even for smaller enterprises UNIDO is offering a extensive CSR training and education program for skilled and experienced business consultants and advisors. The selected candidates will initially participate in the **UNIDO training program for CSR consultants**. Upon completion of the intensive 5 days classroom session, and as assignment towards obtaining a training completion **certificate**, the participants will conduct CSR Quick Start Appraisals for three SMEs in collaboration with two other trainees and with the back up support from the VNCPC and the UNIDO CSR CTA (Chief Technical Advisor).

Hanoi (30 participants): March 21st to 25th 2011

HCMC (30 participants): April 25th to 29th 2011

In-plant quick assessments to be completed within 60 days after the course.
