

Senior Manager, Program Support and Innovation (Ho Chi Minh City)

Habitat for Humanity Vietnam (HFHV) is currently seeking a professional individual to serve as a Senior Manager, Program Support and Innovation. This position is responsible for

- the strategic development of programmatic approaches and models throughout Vietnam to ensure that HFHV is delivering relevant, high-quality, cost-effective and affordable housing products and services for low-income families in need of decent housing;
- the management, coordination, and guidance of the program technical areas including Construction Quality, Water & Sanitation, Disaster Response and Mitigation, Housing Finance and Design/ Planning/ Monitoring/ Evaluation.

Requirements:

- Bachelor's degree in Sociology, Social Work, International Development, Development Management, Housing and Urban Development Planning, Business Administration, Economics or other equivalent degree (Master preferred).
- Minimum 05 years experience in program management, general management or related fields with responsibility for program design and evaluation, project outcomes, and supervision of managers and/or technical staff.
- Working knowledge and technical expertise in designing and performing qualitative and quantitative analysis, strategic planning, and social investigation, multi-site evaluations, participatory planning and standards of evaluation
- Committed to continuous learning and self-development

How to Apply

Closing date: July 30, 2013

Your application **must** include:

- A cover letter clearly demonstrating your suitability for this position
- A comprehensive CV (no more than 2 pages)
- Contact details (including telephone number and email) of 3 references including most recent direct supervisors

Applicants who do not provide **all** of the above requested information will not be considered.

Email your application to:
