Course outline

Increasingly, organisations need to find diverse ways of generating support from their external environment in order to increase their influence, success and to sustain themselves.

Having a clear fundraising and resource mobilisation strategy is essential to keep your organisation or department on track with its fundraising goals and to get the best returns from your time, effort and budget.

Who will benefit the most?

This course is specifically relevant if you are:

- A professional working for an NGO, donor organisation, university or government body;
- Keen to develop a fundraising and resource mobilisation strategy for your organisation or your area of expertise.

Objectives of the course

- Have a clear view on the fundraising and supporting needs of your organisation;
- Know how to map the main stakeholders and context you are working in;
- Have practiced with tools and have reinforced your personal skills to formulate concrete strategies and action plans on fundraising.
