

Habitat for Humanity International founded in United States in 1976. Habitat now works in 1,400 communities across the U.S. and in nearly 70 countries and has helped 6.8 million people achieve strength, stability and independence through safe, decent and affordable shelter.

Our vision

A world where everyone has a decent place to live.

Our mission

Seeking to put God’s love into action Habitat for Humanity brings people together to build homes, communities and hope.

HFH Vietnam has been working in Vietnam since 2001. As of June 2016, HFH Vietnam has enabled more than 13,600 low-income Vietnamese families to improve their living conditions through decent homes, clean water and safe sanitation and post-disaster reconstruction and repairs. In addition, HFH Vietnam has provided training in disaster preparedness, financial education, hygiene practices, and construction skills, among others, to more than 75,800 individuals.
