

## 3D EXHIBITION ON HIV/AIDS BY STUDENTS FROM HOA BINH, BAC KAN AND CAO BANG PROVINCES

### 1. Introduction

The exhibition displays 3D art products made by the students from ChildFund's project areas in Hoa Binh, Bac Kan and Cao Bang provinces. There will be ten student groups (4 from Hoa Binh, 4 from Bac Kan and 2 from Cao Bang) presenting at the exhibition.

Three main objectives of the exhibition include:

- To raise awareness about HIV/AIDS prevention and discrimination elimination for students and local authorities at ChildFund's project areas.
- To display initiatives, ideas of students about HIV/AIDS prevention and discrimination elimination through shape formation in space.
- To exchange experience between students in ChildFund's project areas and with other NGOs and partners about HIV/AIDS communication.

### 2. Time, Venue and Participants

- Time: 7.30 -11.45 am on Saturday 15 Dec 2012
- Venue: Meeting hall 6, La Thanh hotel – 218 Doi Can street, Hanoi
