## SEMINAR INVITATION

### “TOWARDS SUSTAINABLE ENERGY IN MEKONG DELTA”

To: .....  
.....

Within the framework of the project: “*Sustainable alternatives to coal power in Vietnam power mix*”, Green Innovation and Development Center (GreenID) would like to organize the seminar on Towards Sustainable energy in Mekong Delta to create an open forum for multi-stakeholders to discuss and share information regarding the current status of coal power development in Vietnam and its socio-environmental impacts, especially in Mekong Delta. In addition, the seminar aims to share information about ways to promote renewable energy, discuss solutions to overcome barriers to the development of renewable energy and raise participants’ awareness of alternative solutions.

Detailed information of the seminar is as follows:

**Time:** 27<sup>th</sup> January, 2015;

**Venue:** 31 Le Duan Street, Ward Ben Nghe, District 1, Ho Chi Minh city

It is our great honor to welcome you at the event.

I would be grateful if you could confirm your participation by 05:00 pm, 23<sup>rd</sup> January, 2015 with Ms. Ha Thi Hong Hai – Project officer via email: [honghaigreenid@gmail.com](mailto:honghaigreenid@gmail.com) or phone number: 04 262 697 318/ 0974 625 012.

We are looking forward to meeting you at the seminar!
