Title	Videography Consultant for UN Women Viet Nam Country Office
Language Required	Vietnamese
Duty Station	Home-based
Contract Type	Consultant (SSA)
Duration	From March 2016 – 1 March 2017 (Maximum 30 days of assignment period; UN Women Viet Nam does not warrant that the maximum of 30 days. The service will be purchased during the term of the Agreement)

I. Background

Given the functional responsibilities of the Viet Nam Country Office (VCO), the work of the office includes ensuring technical quality as well as professional look of all products and materials. These require that VCO has comparable capacity to meet the demand of providing quality control and reflecting the results-based discipline, in order to support and strengthen advocacy and strategic partnerships development. In recent years, videos are used as an effective tool to support advocacy, awareness raising and communications efforts.

It is therefore proposed to set up a retainer contract with qualified Videography consultant that UN Women can draw on at short notice and help UN Women to produce high qualified videos for advocacy and communications purposes.

II. Objective of the Consultancy

Under the direct supervision of UN Women Communications Officer, selected Videography consultant will provide quality graphic designs services in support of UN Women's needs. The selected designer will work independently on assigned tasks and will request final approval from the UN Women Communications Officer.

III. Specific tasks of Videography consultant

Under the overall guidance of Communications Officer, selected Videography consultant is responsible for the following:

- Providing videography products for UN Women Viet Nam Office upon requests.

IV. Duration of assignment and payment

The contract period is from 1 March 2016 to 1 March 2017. Maximum 30 days of assignment period; UN Women Viet Nam does not warrant that the maximum of 30 days. The service will be purchased during the term of the Agreement.

The consultant will be engaged under a retainer contract, which facilitates direct engagement of the consultant depending on need and availability within the contract period for a pre-agreed fee. For each assignment, the consultant will be paid based on the pre-agreed number of working days.

V. Deliverables

Videography products that reflect high quality result- based standard and format established by UN Women.

VI. Qualifications and experience required

- At least 5 years of professional experience in the area of videos production
- Substantial consultancy experience with a record of providing high-quality and creative products for clients.
- Have experience working with UN organizations.
- English proficiency would be an asset.

VII. Application Evaluation Criteria

The applicant will be evaluated based on technical capacities (80%) and financial proposal (20%). Technical evaluation will be based on the following criteria stated as below.

1	Education	10
2	Work experience in videography production	60
3	Work experience with UN agencies and international organizations	20
5	Language	10
	Total	100 points

A two-stage procedure is utilized in evaluating the submissions, with evaluation of the technical components being completed prior to any price proposals being opened and compared. The price proposal will be opened only for submissions that passed the minimum technical score of 70% of the obtainable score of 100 points in the evaluation of the technical component.

The technical component is evaluated on the basis of its responsiveness to the Term of Reference (TOR).

Technically qualified consultants may be selected for an interview before financial evaluation.

Maximum 100 points will be given to the lowest offer and the other financial proposals will receive the points inversely proportional to their financial offers. i.e. $S_f = 100 \times F_m / F$, in which S_f is the financial score, F_m is the lowest price and F the price of the submission under consideration.

The weight of technical points is 80% and financial points is 20%.

Individual consultants will be evaluated based on Cumulative analysis, the award of the contract will be made to the individual consultant whose offer has been evaluated and determined as:

- a) Responsive/compliant/acceptable; and
- b) Having received the highest score out of a pre-determined set of weighted technical and financial criteria specific to the solicitation.
