Foreign NGOs working in Viet Nam

Dear colleagues,

Following our letter dated 6 June 2017 on Personal Income Tax (PIT), we would like to update that the consultation process is still going on and we are waiting for more feedbacks from relevant agencies.

Given the fact, we plan to organize a meeting to disseminate all information with the NGO community in the third or fourth week of August.

We are sorry for the delay and hope to receive your understanding.

Yours sincerely,

Phan Anh Son

Director General
