

## INVITATION TO BID SECTORS PRIORITISATION & BASELINE ELABORATION

Project Management Unit of Green Growth Support Facility (GGSF) is seeking one (01) international consultant (No. A0101a “International consultant for identifying sectors at national level for action and conducting a baseline report”) and (01) national consultant (No. A0101b “national consultant for identifying sectors at national level for action and conducting a baseline report”) to carry out the assignment.

Objective of the assignment is to elaborate the project baseline by identifying priority subsectors for pilot action at provincial levels, identifying and analyzing barriers for each priority sectors, proposing indicators, target values, sources and means of verification.

The consultant team will work for estimated 57 working days (57 working days for each consultant) in 4<sup>th</sup> Quarter 2014 and 1<sup>st</sup> Quarter 2015.

Interested and qualified candidates are invited to send:

1. **Letter of Confirmation of Interest and Availability;**
2. **Detailed CV with**

- A list of relevant reference projects and studies demonstrating the experience of the consultant;
- A list of contact person in charge of supervising these past projects, who could potentially be contacted for witnessing of the consultant quality;
- Reference (links) to 5 reports written by the consultants for similar studies

3. **Brief description of approach to work/technical proposal** of why the individual considers him/herself as the most suitable for the assignment, and a proposed methodology on how they will approach and complete the assignment (max 2 pages);

For further information relating to the assignment, please contact us for obtaining the Terms of Reference (TORs) by sending us an email to [ggsfpmu@gmail.com](mailto:ggsfpmu@gmail.com) requesting for the TOR.

Proposals must be sent to the GGSF PMU Office at email: [ggsfpmu@gmail.com](mailto:ggsfpmu@gmail.com).

Submission deadline: 31 October 2014 (before 16.30)

## INVITATION TO BID CALL FOR PROPOSALS MECHANISM

Project Management Unit of Green Growth Support Facility (GGSF) is seeking one (01) international consultant (No. A0102a “International consultant for developing different tools for the call for proposals) and (01) national consultant (No. A0102b “National consultant for developing different tools for the call for proposals”).

Objective of the assignment is to elaborate the “call for proposals mechanism” (CFPM) of the facility, i.e. the set of tools and documents that establish all the rules and procedures necessary for operating the calls for green projects that are candidate for funding from the facility.

The consultant team will work for estimated 55 working days (55 working days for each consultant) in 4<sup>th</sup> Quarter 2014 and 1<sup>st</sup> Quarter 2015.

Interested and qualified candidates are invited to send:

1. **Letter of Confirmation of Interest and Availability;**
2. **Detailed CV with**

- A list of relevant reference projects and studies demonstrating the experience of the consultant;
- A list of contact person in charge of supervising these past projects, who could potentially be contacted for witnessing of the consultant quality;
- Reference (links) to 5 relevant reports written by the consultants for similar studies

3. **Brief description of approach to work/technical proposal** of why the individual considers him/herself as the most suitable for the assignment, and a proposed methodology on how they will approach and complete the assignment (max 2 pages);

For further information relating to the assignment, please contact us for obtaining the Terms of Reference (TORs) by sending us an email to [ggsfpmu@gmail.com](mailto:ggsfpmu@gmail.com) requesting for the TOR.

Proposals must be sent to the GGSF PMU Office at email: [ggsfpmu@gmail.com](mailto:ggsfpmu@gmail.com).

Submission deadline: 31 October 2014 (before 16.30)

## INVITATION TO BID FACILITY OPERATION MANUAL

Project Management Unit of Green Growth Support Facility (GGSF) is seeking one (01) international consultant (No. A0104a “International consultant for developing the Project Operation Manual (POM) and Facility Operational Manual (FOM) and (01) national consultant (No. A0104b “National consultant for developing the Project Operation Manual (POM) and Facility Operational Manual (FOM)”).

Objective of the assignment is to elaborate the founding documents of the Green Growth Strategy Facility, known as the “Facility Operation Manual” (FOM). This FOM should at least encompass the Facility legal framework, Fund management, funding sources and principles, governance and management framework, Monitoring and evaluation of funded projects.

The consultant team will work for estimated 55 working days (55 working days for each consultant) in 4<sup>th</sup> Quarter 2014 and 1<sup>st</sup> Quarter 2015.

Interested and qualified candidates are invited to send:

1. **Letter of Confirmation of Interest and Availability;**
2. **Detailed CV with**

- A list of relevant reference projects and studies demonstrating the experience of the consultant;
- A list of contact person in charge of supervising these past projects, who could potentially be contacted for witnessing of the consultant quality;
- Reference (links) to 5 relevant FOMs and/or reports written by the consultants for similar studies

3. **Brief description of approach to work/technical proposal** of why the individual considers him/herself as the most suitable for the assignment, and a proposed methodology on how they will approach and complete the assignment (max 2 pages);

For further information relating to the assignment, please contact us for obtaining the Terms of Reference (TORs) by sending us an email to [ggsfpmu@gmail.com](mailto:ggsfpmu@gmail.com) requesting for the TOR.

Proposals must be sent to the GGSF PMU Office at email: [ggsfpmu@gmail.com](mailto:ggsfpmu@gmail.com).

Submission deadline: 31 October 2014 (before 16.30)
