

IMPACT EVALUATION

17-20 October in Phnom Penh, Cambodia. Register now!

WHY IMPORTANT?

Contemporary development assistance places higher demands on impact accountability. Logical frameworks and sets of indicators are no longer sufficient. In this new environment, development agency staff must understand how to design and manage quality impact evaluations..

WHO SHOULD JOIN?

The professionals who commission, manage or carry out project monitoring and evaluations.

WHAT WILL YOU LEARN?

- Develop a Theory of Change to frame the right questions for your impact evaluation;
- Discuss both quantitative and qualitative tools for impact evaluations;
- Develop an impact evaluation design for your project;
- Provide tools for managing quality evaluations.
