INVITATION

To:

Subject: *Sharing on integration of local participation in socio-economic development plan - good practices in Ha Giang, Hoa Binh and Cao Bang provinces.*

There are many development programmes targeting the ethnic minorities (EM) and focusing on the poorest communes and districts in Vietnam. Despite all efforts, the poverty rate of the group still remains high. The EM groups account for 14% of the whole population but hold 47% of the poor and 68% of the extreme poor in 2010 - and the gap between minority populations and the Kinh majority continues to widen. One of the primary reasons seems to be the lack of local participation in the development, from the identification of needs to monitoring of the development process.

The mainstreaming of local participation in socio-economic development plan (SEDP) plays a key role in bringing about appropriate income generation opportunities to the local people and actualizing community potential. It is vital that the ethnic minorities can act as active players in their own development process.

In order to share some good models in strengthening local participation in development programmes, the EMWG would like to invite you to the sharing meeting on *integration of local participation in SEDP – good practices in Ha Giang, Hoa Binh and Cao Bang provinces.*

The sharing will take place from **9a.m-12a.m on 16th October (Thursday), 2014** at the meeting room of **Plan in Vietnam**, Somerset Hoa Binh, 2nd floor, 106 Hoang Quoc Viet, Hanoi. It will be conducted in Vietnamese. English translation will be provided upon confirmation of participants.

Please confirm your participation to Nguyen Thi Hoa (Ms.), the EMWG coordinator via her email: emwg@ngocentre.org.vn or telephone: 04 3 8328570 by **10th October, 2014**.

We look forward to your participation!

Thank you,
On behalf of EMWG
