

Project Manager, Quang Nam

Habitat for Humanity Vietnam (HFHV) is currently seeking a professional individual to serve as a Project Manager, Quang Nam. This position is responsible for

- Coordination and management of all activities of the project in Quang Nam.
- Leading the facilitation of planning, implementing, monitoring and evaluation of the project with stakeholders' participation by participatory tools.
- Effective execution of the project to achieve the project objectives efficiently and sustainably.

Requirements:

- Bachelor's degree in sociology, social work, international relations, international development, development management, housing and urban development planning or other equivalent degree
- Minimum 03 years experience in projects management
- Working knowledge and technical expertise in community-based development concepts, approaches and processes
- Committed to continuous learning and self-development

How to Apply

Please note that only short-listed applicants will be contacted by email and that applications will be reviewed on an ongoing basis. Given the necessity to fill this position as soon as possible, and depending on the qualifications of applicants, HFH Vietnam may offer a suitable position to potential candidate and before the closing date (December 20, 2012); therefore candidates are urged to submit their application in a timely fashion. If you have not received an email within two weeks of submitting your resume you can assume your application was not successful.

Your application **must** include:

- A cover letter clearly demonstrating your suitability for this position
- A comprehensive CV (no more than 2 pages)
- Contact details (including telephone number and email) of 3 references including most recent direct supervisors

Applicants who do not provide **all** of the above requested information will not be considered.

Email your application to:
