

SENIOR ACCOUNTANT – VIETNAM

- Accounting management
- Assets management, monitor effective system of assets
- Budgeting – Support FM in developing and managing FHF VN budget
- Reporting – Assist FM on financial and management reporting to meet Foundation and stakeholder's requirement.

Come and join our international development organisation where we are ensuring that the vision of Fred Hollows lives on. We are working to eradicate avoidable blindness by 2020, and are committed to working with partners to bring about change that is sustainable and reaches even the most vulnerable communities.

The Fred Hollows Foundation in Vietnam is the country's leading eye care NGO. We support the goals of VISION 2020 to eradicate avoidable blindness by 2020, and are committed to working with partners to bring about change that is sustainable and reaches even the most vulnerable communities.

Reporting to Finance Manager, Senior Accountant (SA) will be responsible for managing the accuracy of project financial information, maintains and develops appropriate project accounting and financial reporting in line with FHF values, strategies, and policies.

To be successful, you should be an experienced accounting or financial professional with outstanding conceptual and analytical skills, looking to capitalise on your 8+ years field experience. You should possess a genuine passion and commitment to development principals and have the ability to work with substantial independence and initiative, dealing proactively and confidently with a range of people, tasks and situations. Your ability to manage complex and competing relationships will be a key to your success. If you possess a genuine ability to multi-task along with strong prioritising and organisational skills, this could be the role for you!

Fluency in written and spoken English as well as the ability to travel domestically and internationally will also be essential.
