

COLLABORATION AND PARTICIPATION IN

“ANNUAL POLICY DIALOGUES”

Descriptions:

The Project is going to conduct 6 annual policy dialogues (3 at the national level in Ha Noi and 3 at the subnational level in Ha Tinh Province) in 3 years of 2015-2017. Each policy dialogue will focus on a particular policy area. Key activities involved:

- The project advisory team receives proposals, explores and selects a particular policy area for dialogue;
- The project partners with policy experts, networks and organizations to set up a dialogue group in the selected policy area;
- The dialogue group reviews existing policies in that particular area and identifies 4 major policies issues;
- The project supports the group in preparing materials and works with government authorities and other stakeholders in organizing the event of policy dialogue (1 day)
- Follow-up of the issues raised/discussed in the dialogue.
