## CONFERENCE INVITATION

### “Energy development – Green Growth – Climate Change: Efforts and Gaps”

**To:** .....

Center for Development of Community Initiative and Environment (C&E), who is currently a member of Vietnam Sustainable Energy Alliance (VSEA), we work to promote participation and improve capacity of local community groups and organisations for better solutions to environmental issues that are related to their life, contributing to the development of civil society and sustainable environment in Vietnam.

In the cooperation with VSEA, C&E will hold the conference “Energy development – Green Growth – Climate Change: Efforts and Gaps” where stakeholders can discuss, share opinions and give recommendations for the planning and development of renewable energy and coal power towards sustainable development in the relation with green growth and Climate change adaptation, updating information from the energy sector in Vietnam after COP21 in Paris 2015 on emission reductions.

**Time : 8.00 – 12.00 am, Thursday, March 24, 2016 (conference schedule attached)**

**Address: Conference room, 6<sup>th</sup> floor, Cau Giay Hotel, 110 Cau Giay, Quan Hoa, Ha Noi**

It is a great pleasure for us to have your participation and opinions in this conference. We are looking forward to your presence.

Kindly respond to this invitation and confirm your presence no later than March 22, by emailing to: [kimhoan1979@gmail.com](mailto:kimhoan1979@gmail.com) or by calling to: 0916716863 (Mrs Hoan)

Respectfully Yours,

**On behalf of the organizing committee  
Director of C&E**

**Ms. Hoàng Thanh Tâm**
