Invitation to Stakeholder Consultation

Location: Candle Hotel, 287 Doi Can, Ba Dinh, Ha Noi
Date: Friday, 21st Oct 2016
Time: 8:30 – 12:30 (Lunch will be provided)

Registration: Send email to **nhonghanh@snvworld.org** by 14th of October.

SNV Vietnam, in partnership with Nexus for Development, would like to invite local stakeholders, representatives of Vietnamese government, including NGO's and members of the general public to a stakeholder consultation meeting to provide feedback on our planned carbon finance activities regarding the project "**Market Acceleration Clean Cookstoves in Cooking Solutions in the Greater Mekong Sub-Region**".

The project aims to increase access to clean cooking solutions (efficient cooking solutions and fuels) in rural and urban households, thereby improving the sustainability of household energy, health and economics. (For more detail of the project, please go to: <http://www.snv.org/update/successful-kick-workshop-advanced-clean-cookstove-project-vietnam>).

Projects which replace inefficient traditional stoves and cooking practices with improved and/or advanced cooking solutions to reduce biomass fuel consumption and greenhouse gas emissions. Nexus will lead the certification of emission reductions from the projects with the Gold Standard (www.goldstandard.org), a global leader in the certification of voluntary emission reductions.

Agenda
