INVITATION LETTER

To participate in the “Green finance for Renewable Energy for Industries in Vietnam” Workshop

Dear Sir/Madame,

You are cordially invited by WWF Vietnam, Vietnam Sustainable Energy Alliance (VSEA) and Climate Change Working Group (CCWG) to participate the Workshop on **“Green Financing for Renewable Energy in Industries in Vietnam”**

Time: 18 September 2019, 8.30am – 12pm (8am Registration)

Venue: Fortuna hotel, 6B Lang Ha, Thanh Cong, Ba Dinh Hanoi

Tentative Agenda: as attached.

The workshop is under The Renewable Energy Week 2019 with focus on Energy Transition which is a recent global development trend and also in Vietnam. Renewable Energy has been acknowledged widely as a primary and most effective solution to reduce GHG emission, mitigate climate change impact. The Workshop aims to accelerate more Renewable Energy investment in private sector, industries (e.g Textile & Garment, Seafood etc) and attract more financial resources from banking sector to solar rooftop projects. It will create platform for open discussion amongst stakeholders to keep abreast of renewable energy developments, to share lessons learned and to discuss finance opportunities in renewable energy investment in Vietnam.

We look forward to meeting you at the workshop!

On behalf of Organizing Committee

Van Ngoc Thinh
Country Director
WWF Vietnam
