

Article 6.2 technical workshop on options for implementing the infrastructure requirements as per chapter VI (Recording and tracking) of the annex to decision 2/CMA.3

18 and 19 May 2022, 13:00 - 16:00 CEST
Virtual event

DRAFT AGENDA

Background: The background and mandate for this workshop was outlined in the [Concept Note](#). The cofacilitators for the Article 6.2 technical workshop are to be confirmed.

Draft Agenda Day 3, 18 May (3 hours)

Topic: Registries and the international registry;

Link: Broadcast link for stakeholders <https://youtu.be/AaKiid0Hd1Y>

To actively join the meeting, please register through the link that was shared in the Information Note of 13 April 2022 (applicable to National Focal Points and their nominees)

Guiding questions: The guiding questions aim to assist Parties with their interventions. Parties may choose to address any or all of the questions, as well as any other matters they consider relevant to the topic. Paragraphs, chapters/sub-chapters not referenced to a decision are those from the annex to decision 2/CMA.3.

Timing	Session	Speaker
5 min	Opening	Tosi Mpanu Mpanu
10 min	Welcome and setting the scene	Cofacilitators
60 min	Presentations	TBC
100 min	Discussion Guiding questions: <ul style="list-style-type: none">• What options are relevant and what further guidance is needed for developing the registries with a view to avoiding the risk of double counting?• How may registries enable the international transfer of ITMOs, including with respect to the operations of the international registry and the mechanism registry, in a way that does not increase the risk of double counting?• What should be the scope, functions, and governing model for the international registry? Considerations with respect to:<ul style="list-style-type: none">○ How participating Parties may submit information for recording and tracking ITMOs in the international registry?○ How should the international registry be funded and governed?	Parties

Timing	Session	Speaker
	<ul style="list-style-type: none">○ What may be the role of participating Parties using the international registry?○ Can entities have accounts in the international registry?● How to enable the connection between the international registry and the mechanism registry as per paragraph 63 of the annex to decision 3/CMA.3 and are there any limitations to transfers?● Which authorized A6.4ERs may entities hold and in what registries and what transactions may authorized entities perform with such A6.4ERs?● What considerations are relevant to the operation of the mechanism registry?	
5 min	Closing	Cofacilitators

Draft Agenda Day 4, 19 May (3 hours):

Topic: Centralized accounting and reporting platform and Article 6 database;

Link: Broadcast link for observers <https://youtu.be/B-IKA5PipEg>

To actively join the meeting, please register through the link that was shared in the Information Note of 13 April 2022 (applicable to National Focal Points and their nominees)

Guiding questions: The guiding questions aim to assist Parties with their interventions. Parties may choose to address any or all of the questions, as well as any other matters they consider relevant to the topic. Paragraphs, chapters/sub-chapters not referenced to a decision are those from the annex to decision 2/CMA.3.

Timing	Session	Speaker
5 min	Welcome and setting the scene	Co-facilitators
60 min	Presentations	TBC
100 min	Discussion Guiding questions: <ul style="list-style-type: none">• What options are relevant and what further guidance is needed for developing the centralized accounting and reporting platform (the CARP) and the Article 6 database?• What should be the processes for submitting information, including amendments to submitted information, to the CARP, including the AEF to the Article 6 database?• How could the Article 6 database enable comparing information submitted by participating Parties and what is the scope of the comparison as per paragraph 33 (b)?• If and how information reported to the CARP, including the Article 6 database, may be used to simplify the process for subsequent submissions of information by participating Parties?• If and how to simplify the reporting process between the CARP, including the Article 6 database, and the Transparency reporting tools?• What options/functions of the CARP, including the Article 6 database, are relevant to supporting the review referred to in chapter V (Review), if any in particular?	Parties
10 min	Wrap-up	Co-facilitators
5 min	Closing	Tosi Mpanu Mpanu
