

# SUMMER TRAINING PROGRAMMES

Yangon

Myanmar

## TRAINING OF TRAINERS

5 - 8 JULY 2016

### For whom?

Professionals or technical staff who design and/or deliver training programmes and workshops; or teachers and staff at (higher) education institutions or training centres evolving towards more student-centred learning.

### Course highlights

- Adult Learning Cycle; how it guides in designing learning interventions;
- Explore and implement relevant concepts on learning dynamics and didactics;
- Participative facilitation techniques and interactive training methods;
- Programme design and curriculum development;
- Prepare and deliver training activity based on a case study.

**Fee:** €725 including lunches & materials

**More information:** visit course page [here](#)

**Registration:** before 29 June by completing [online registration form here](#).

## MANAGEMENT & SUPERVISORY SKILLS

20 - 23 JUNE 2016

### For whom?

This course is aimed at people who hold (or aspire to) a supervisory or middle management position; team leaders, project officers, admin managers and other professionals who want to develop towards a managerial position.

### Course highlights

- Increase your awareness of your personal qualities and pitfalls;
- Practice essential management skills that will help you communicate more effectively and broaden your influence;
- Develop a personal action plan to guide you in your professional development.

**Fee:** €725 including lunches & materials

**More information:** visit course page [here](#)

**Registration:** before 15 June by completing [online registration form here](#).

**01 free place** for every 6th participant from the same organisation.
