

Winrock International, an international not for profit organization, is seeking applications for **A Training Institution to provide services for the training course on “Building design appraisal, construction inspection, commissioning in compliance with VEEBC”** for the USAID-funded Vietnam Clean Energy Program (VCEP) , which aims to strengthen the foundation for low emissions energy systems in Vietnam by enhancing capacity to acquire, manage, analyze, and use energy sector data in decision-making, increasing energy efficiency in high energy use sectors, and increasing public and private investment in and piloting of renewable energy technologies.

Position advertised:

A Training Institution to provide services for the training course on “Building design appraisal, construction inspection, commissioning in compliance with VEEBC”

Terms of References (TORs) in English as attached files.

Application Procedure

Interested Vietnamese candidates are invited to send Electronic application that includes:

1. Technical Proposal (no more than two pages)
2. Resumes for proposed qualified technical trainers (no more than 3 pages per resume)
3. A cost proposal based on the level of effort identified in table
4. Corporate qualification showing technical background and past performance (no more than 2 pages)

to Ms. Hang via email hnguyen@winrock.org with a subject line “**A Training Institution to provide services for the training course on “Building design appraisal, construction inspection, commissioning in compliance with VEEBC”** – {Full Name of Applicant}”.

Submission of application in English is encouraged

Only short-listed candidates will be contacted for further stages.

Deadline for submission: 23rd September, 2016
