

CALL FOR CVS – USAID VIETNAM SUSTAINABLE FOREST MANAGEMENT ACTIVITY

Introduction

The new USAID Vietnam Sustainable Forest Management Activity is recruiting for multiple positions. The team is looking for extremely well organized and self-directed individuals with sound technical skills, analytical ability, good judgement, and strong operational focus.

Project Background

The Vietnam Sustainable Forest Management Activity will work with the Government of Vietnam (GVN) to reduce carbon emissions associated with deforestation, the degradation of natural forests, and poor plantation management. SFMA will implement a “Green Prosperity” approach that strengthens local communities’ ability to protect their natural resource base and reduce emissions while building a strong foundation for sustainable livelihoods and equitable economic growth.

SFMA will work in six provinces and focus on five activities:

- Strengthening community forest management;
- Promoting conservation-friendly enterprises;
- Improving law enforcement to tackle environmental crimes;
- Enhancing the management of production forests; and
- Mobilizing domestic resources.

Open Positions:

Enterprise Development Lead	GESI Manager
GIS Officer	PPP Specialist
Finance Manager	Information Technology Specialist
Environmental Crimes Specialist	Payment for Environmental Services Specialist
Senior Policy and Legal Specialist	Procurement Specialist
