

VACANCY ANNOUNCEMENT

The **Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH** is a German federal enterprise. As a service provider in the field of international cooperation for sustainable development and international education work, GIZ is dedicated to shaping a future worth living around the world. Together with commissioning parties and partners, GIZ generates and implements ideas for political, social and economic change. GIZ Viet Nam is currently engaged in three priority areas: 1) Vocational training; 2) Environmental policy and sustainable natural resource use; 3) Energy. For further information, please visit our website: www.giz.de/viet-nam.

German Cooperation has been supporting Viet Nam to restructure its agriculture sector to ensure sustainable rural development, particularly in the Mekong Delta. In continuation of this support, a central element of the projects in the current portfolio is to increase the ability of smallholder farmers and upstream/downstream companies to adopt climate-smart and sustainable innovations that increase incomes, employment, quality of produce while reducing the environmental footprint. Through capacity development, the promotion of innovations and novel business models along the agro-food value chains we contribute to farmer's climate resilience, stable and competitive production, increased incomes through higher product quality and compliance with standards. Businesses up- and downstream of agricultural production improve farmer's access to diverse services, and stable access to markets.
