

INTERNSHIP OPPORTUNITY

Project Management Intern (He/She/They) in Hanoi

Who we are

GIZ supports the German Government in achieving its objectives in the field **of international cooperation** for sustainable development. We work in a variety of fields and support our cooperation partners in designing strategies and meeting their policy goals. GIZ Vietnam has targeted Energy as a priority area, which is being handled by the **Energy Support Programme**. Together with the Ministry of Industry and Trade we are working on developing markets for **solar power, wind power, bioenergy, energy access, energy efficiency and smart grids**. Currently the Energy Support Programme is adding a **new project** to its 10-project portfolio, that aims at **combining clean energy and agriculture**. The idea is to create new space for solar power, shade crops when needed, and create a significant income increase for farmers. The project is called **Agri-Photovoltaics for rural areas in Vietnam**. **We are looking for a national intern** (He/She/They) to engage in the development and implementation of our new project.

National Intern

Duty station: Hanoi, Vietnam (partly remote possible)
Duration: 06 months, starting from June 2022, Full time

What you get insights on

- Developing the Agri-Photovoltaics project to be commissioned by the German Government
- Creating a new solar market segment in Vietnam
- Policy making with the government
- The Vietnamese and international Energy Transition

What you will work on together with us

- Support the portfolio management of over 10 energy projects and all supporting processes
- Independently take on research tasks on energy policy, agriculture, or business models
- Support project management with Gantt charts, workplans & MS planner

What we need

- Proven interest in renewable agriculture, business, energy, or politics
- Good research, data collection and analysis skills
- Vietnamese working permit or nationality
- Enrollment in a university today or not longer than six months ago
- Excellent written and oral communication skills in English and Vietnamese
- MS Office (PowerPoint, Word, Excel)

What you will get

Close mentoring, quick learning curve in an international work environment, opportunities to travel with coverage of all costs and a monthly allowance (5,500,000 VND gross).

Please send your CV & cover letter (up to 1 page each) to office.energy@giz.de by **02 June 2022**.

The fulltime internship is expected to start in June and last for 6 months

Note: Please state "Application for the Internship – Project Management" in the subject line. Only short-listed candidates will be contacted after the deadline. Telephone contact is not encouraged.
