

Terms of Reference for Consultant on 'The Making Inclusion Campaign by persons with disabilities' project

1. Introduction and Background Information

1.1. Humanity & Inclusion

Humanity and Inclusion (HI) – previously known as Handicap International- is an independent and impartial aid organisation working in situations of poverty and exclusion, conflict and disaster. We work alongside people with disabilities and vulnerable populations, taking action and bearing witness in order to respond to their essential needs, improve their living conditions and promote respect for their dignity and fundamental rights. HI is working in more than 60 countries over the World.

HI has been working in Vietnam for 32 years, mostly in the fields of health and prevention (mother and child health and road safety), rehabilitation (rehabilitation care for people with spinal cord injury and brain lesions), education (access to inclusive education for children with disabilities) and livelihoods (access to decent work for people with disabilities).

1.2. EU Funded Making Inclusion Campaign (MIC)

Humanity & Inclusion has been granted by EU Delegation in Vietnam to implement a project titled "The Making Inclusion Campaign by persons with disabilities ". It is a 30-month project with budget volume of EUR 615K; expected to start the project from 1st March 2025.

The project aimed at "To reduce stigma and negative perceptions against girls, boys, women, and men with disabilities of all ages in their diversity amongst the local population and basic service providers of Hanoi province, Vietnam". HI will implement this project directly in Hanoi, with engagement of a local Organization of Persons with Disabilities (OPD) as third-party to for few specific activities only.

The identified key stakeholders with whom the MIC project will engage are: the Ministry of Labour, Invalids and Social Affairs (MOLISA), tasked with the overall State-led management of issues related to disability; the Department of Labour,

Invalids and Social Affairs (DOLISA), the provincial-level entity in Hanoi province to advance efforts on disability-related matters; the National Council on Disability (NCD), which oversees laws and policies related to Persons with Disabilities, and also develops the National Strategy of Actions for Persons with Disabilities; the Vietnam Federation of Disability (VFD), which is an umbrella organization working with the NCD and the MOLISA on grassroots support for the formulation of policies and laws of disabilities; the Department of Education and Training (DEOT), which oversees education for Persons with Disabilities; Department of Employment (DOE), which oversees job creation and employment support; Organizations of Persons with Disabilities (OPD), which are the key beneficiary target group of the project.

In order to achieve the final objective, the project has 3 main outputs:

- First, OPDs of under-represented groups have increased their capacities to promote accessibility and inclusion of persons with disabilities;
- Second, OPDs are granted financial and technical support for conducting media campaigns and awareness raising;
- Third, the enhanced dialogue and representation (diversity and intersectionality) in efforts to implement inclusive policies for education, employment, and protection against Gender-Based Violence (GBV).

In that framework, HI is currently receiving applications from consultants with specific expertise and experience in getting project approvals from local authorities.
