2. PATH statement of business

PATH is a global nonprofit dedicated to a mission to advance health equity through innovation and partnerships. With more than 40 years of experience forging multisector partnerships, and with expertise in science, economics, technology, advocacy, and dozens of other specialties, PATH develops and scales up innovative solutions to the world's most pressing health challenges. Learn more at www.path.org.

3. Purpose of the request for quotations

Briefly describe the purpose of the RFQ here.

- Deliverables:

The agency will do the following work for PATH:

- a. Provide all guidance as required by relevant laws and regulations on needed documents as well as details of documents for obtaining import permit and successfully clearing customs and importation procedures of the study products. Bidders are required to provide confirmation on whether they could

successfully obtain import permits and complete the custom clearance for this study in bidder's proposal and provide a presentation to PATH on how these processes could be succeeded.

- b. On behalf of PATH, submit the import permit application of study products and to respond to any further requests from Infrastructure and Medical Device Administration (IMDA) - Ministry of Health until the import permit is granted and obtain this import permit.
- c. The study products will be delivered from the warehouse of the manufacturer to the arrival port (e.g. Noi Bai port). The agency will be responsible for receiving the study products at the arrival port and handle all of the customs and importation processes to clear study products at the arrival port.
- d. Store study products in accordance with the manufacturers' recommendations from the time the study products arrive at the arrival port through the time of delivering them to study sites.
- e. Affix sub-label in Vietnamese to study products to comply with the current Vietnam regulations on labeling. The information in the sub-label needs to be approved by PATH prior to printing.
- f. Deliver study products to study sites multiple times throughout the study implementation period.
- g. Provide the storage and inventory documentation of study products throughout the study implementation period.
- h. Handle any requests (if any) from the IMDA - Ministry of Health and other authorities as part of the management of study products post-importation.

Assumptions

- a. Study sites: Quy Chau and Que Phong District Health Centers in Nghe An province
- b. Duration for study implementation: 12 months
- c. Number of shipment: 01
- d. Estimated value of the shipment (for reference only): USD 40,000
- Specifications: Detailed information on study products:

- By submitting a quotation, the supplier consents for PATH to carry out further due diligence, responsibly and in line with relevant General Data Protection Regulation provisions.
- Applicable currency: Vietnam Dong (VND)

5. Instructions for responding

A. PATH contacts

Technical/Program contact: ango@path.org

Procurement contact: Vietnam Procurement Team (vietnam.procurement@path.org; htnguyen@path.org)

B. Confirmation of interest

Please send a statement acknowledging receipt of this solicitation and your intent to respond or not respond no later than **March 28, 2025**. Send the confirmation to the contacts listed above.

C. Quotations due: April 4, 2025, 5:00PM Hanoi time

Completed quotations should be submitted by email to the contacts listed above. The subject line of the email should read: **RFQ #2025-HEPC3P-01** Your Company Name.

D. Conclusion of process

Applicants will be notified of PATH's decision by **the week of April 14-18, 2025**. Final award is subject to the terms and conditions included in this solicitation, as well as successful final negotiations of all applicable terms and conditions affecting this work.

6. Terms and conditions of the solicitation

A. Notice of nonbinding solicitation

PATH reserves the right to reject any and all bids received in response to this solicitation and is in no way bound to accept any proposal.

B. Confidentiality

All information provided by PATH as part of this solicitation must be treated as confidential. In the event that any information is inappropriately released, PATH will seek appropriate remedies as allowed. Proposals, discussions, and all information received in response to this solicitation will be held as strictly confidential, except as otherwise noted.

C. Conflict of interest disclosure

Suppliers bidding on PATH business must disclose, to the procurement contact listed in the RFP, any actual or potential conflicts of interest. Conflicts of interest could include a personal relationship with a PATH staff member that constitutes a significant financial interest; board memberships or other

employment; and/or ownership or rights in intellectual property that may be in conflict with the supplier's obligations to PATH. Suppliers and PATH are protected when actual or perceived conflicts of interest are disclosed. When necessary, PATH will create a management plan that provides mitigation of potential risks presented by the disclosed conflict of interest. Contacting third parties involved in the project, the review panel, or any other party may be considered a conflict of interest and could result in disqualification of the proposal. All communications regarding this solicitation shall be directed to appropriate parties at PATH indicated in Section 5 A.

D. Acceptance

Acceptance of a proposal does not imply acceptance of its terms and conditions. PATH reserves the option to negotiate on the final terms and conditions. We also reserve the right to negotiate the substance of finalists' proposals, as well as the option of accepting partial components of a proposal if appropriate.

E. Proposal validity

Proposals submitted under this request shall be valid for 90 days from the date the proposal is due. The validity period shall be stated in the proposal submitted to PATH.
